VOLUME 34

JUNE, 1954

We have chosen newspaper as the theme of the 1954 *Forum*. We are using this theme because the book is dedicated to Miss Sara Cannon, our publications' adviser. Several of our pages carry out our theme.

We would like at this time to express our appreciation to the many people who have helped so much in getting our book together.

Barbara McDermott, photo editor, started the year by setting a record of efficiency and speed in getting seniors to the photographers for the senior portraits. Marjorie Kerr, literary editor, has carried out the big job of identifying all the class pictures and assembling the information to go with the teachers' pictures. She, together with Barbara Scott, senior editor, found quotations to accompany all the seniors' pictures. Barbara also collected the information for the seniors' activity lists and edited that material.

Keitha Porter, calendar editor, and her assistants, Dave Warren and Ann Robeson, have kept a day-by-day record of the happenings around the school. Keitha has made herself invaluable by typing and offering her services for many of the odd jobs. Kay Dennis and Joan Drake have done most of our art work, and Dave Misicka, sports editor, helped design the sports pages. Elizabeth Gaines and Sue Tarr identified the music pictures. Monte Rutherford counted tax stamps and ran many errands.

Business manager Dan Bastin has kept the finan-

ces in order, and he has been helped in this big task by Sarah Eastman. Barbara Beroth and Sarah Eastman, subscription managers, managed the *Forum* show in addition to their regular work. Their assistants in taking care of subscriptions were Ann Titus, Jo Ann Ulery, and Jo Ann Jackson.

The advertising staff, headed by Larry Epstein, collected the ads for the book. Assisting Larry were Nancy Stillson, Rachel Daly, Carolyn Barton, Don Reed, Monte Rutherford, and Mary Ann Hanes.

Informal pictures were taken by the staff photographers, John Wareham, Bob Lipps, Dick Morain, Duke Wagoner, and Bill Martin. Duke and Bill have done much of our printing and enlarging.

Three members of the junior class who have helped us are Jim Hofmann, Mary Ann Rawlins, and Carolyn Frederick. There are many other members of both publications staffs who have proofread, typed, and identified pictures for us. We thank them, too.

Recognition must be given to the professional photographers, Mr. James Israel, Mr. Guy Lipps, and Mr. Don Garverick, who took our formal pictures. We appreciate their cooperation and support.

By dedicating the *Forum* to Miss Cannon we have already shown our admiration for her as a teacher and our gratitude for her friendship. May we, though, say again how grateful we are for her guidance and advice.

MOUNT VERNON BATTLE CRY

Words by Ann Titus

Here's to Mount Vernon High;
We raise our voices in song.
Hark, to our battle cry;
We sing it our 1,000 strong!
Rah! Rah! Rah!

Here's to our victories;
Play with all your might.
Men of orange and black,
Spirit you never lack,
So Fight! Fight! Fight!

ALMA MATER

On Mount Vernon, Alma Mater,
Glorious through the years,
Brave, triumphant o'er our rivals,
Harbor for our fears.
We who love thee sing your praises,
Shout them to the sky.
When we're gone, we'll still remember
Our Mount Vernon High.
O'er the fields of triumph ever
Shall her banners fly,
Black and orange, loyal colors,
Of Mount Vernon High.

PEP SONG MEN OF OHIO

Come give a cheer for old
Mount Vernon High,
And for her men so brave and true.
Come let us shout her praises to the
sky,
While orange and black go dashing
through.
And when the Yellow Jackets enter the
fray,
The victory is ours that day.
We have a team that ever fights to
win,
Although they never give in.
Hip! Hip! Hooray!

VOLUME 34

JUNE, 1954

In early September almost six years ago, a group of wide-eyed seventh graders stumbled around Mount Vernon High School with bewilderment. They were to become the senior class of 1954, the largest senior class in the history of Mount Vernon High School. Much has happened since then.

As ninth graders we got our first taste of real high school. Two years later — we were juniors then — we organized and elected John Wareham as our president, Al Shields as vice-president, Carolyn Barton as secretary, and Joe Dunlap as treasurer. Under this administration we ordered our rings, presented the play, "Boy Wanted," and held the Junior-Senior Prom.

Finally our last year came, and we chose Dave Misicka to lead us. Stan McNabb was elected our vice-president; Juanita Hite, secretary; and Ned Kuivinen, treasurer. The big event of the fall was Homecoming, at which Kay Dennis reigned. She was attended by Sarah Eastman, Shirley McGibney, Beverly Rine, and Marilyn Harris. In the winter we ordered our name cards.

Spring, however, was the busiest season for the senior class. The *Forum* queen elections and the *Forum* show started the season off. Ann Titus was

chosen queen of the show, which was entitled "Good News." Keitha Porter, Peggy Cochran, and Shirley McGibney were her senior attendants. Next came the senior play, "George Washington Slept Here." To finish the year socially, we gave a successful Senior Prom at the country club.

And so goes many a class history. We of the class of 1954, however, can add some things which not every senior class can say. High scholarship stands out particularly in our class. Our record in the state scholarship tests, in the classroom, and in the various competitions for prizes, scholarships, and honors would be hard to challenge. Clifford Slayman, our valedictorian, can indeed be proud to stand first in this class. In athletics we have five four-year lettermen in varsity sports. Leadership and musical ability also come high in the class of '54. In the various clubs and organizations, we have held a large percentage of the offices.

Thus we leave Mount Vernon High School. We leave with a sense of accomplishment and with devotion to our Alma Mater. We wish the best of luck to the senior class that will follow us, and we hope that they will enjoy themselves as much as we have.

History of the Junior Class

The junior class of Mount Vernon High School closed the school year of 1953-1954 by treating the seniors to the annual Junior-Senior Prom, May twenty-first. Carolyn Cary was chairman of the social committee and Carolyn Frederick, Carol Gillooley, Essie Erlanger, and Sally Latham helped in planning all the details of the Prom.

However, one's junior year is not all play and no work. The juniors appointed a financial committee to handle and raise money for their class. This committee was headed by Lorna Eagle. Roberta Rabishaw, Dick Baney, Harry Bassinder, and John Lord were the other members.

The first committee to swing into action was the ring committee. Students buy their class rings when they are juniors so that they may wear them their entire senior year. The

ring committee consisted of chairman Jim Hofmann, Jack Hess, Marilyn Taylor, Janet Henry, and Marilyn Ullman. The rings arrived March first.

Mary Ellen Fox was chairman of the play committee and Jim Rice, Ronnie Cline, Nancy Rice and Bob Lipps assisted her in selecting "Stag Line," a light and fast-moving comedy. The play was given March twenty-six. Marjorie Warman, Carolyn Frederick, and Bob Dunham headed a cast of eighteen.

The juniors were ably assisted in their trials and tribulations by their two advisers, Mrs. Louise Huggins and Mr. Guy VanNostrand.

The entire junior class wishes all the luck in the world to a grand group of people—the seniors. And we hope that next year's junior class is very successful in its undertakings.

Fetter Elected New Choir Prexy

We can now officially be called a choir — officers were elected Monday. We're sure the choir will function in a most dignified way in the hands of the able-minded president — **Norma Jean Fetter**. Norma is one of these bright-looking seniors you see running through the halls these days. She keeps very busy and music seems to be her aim. No has been accompanist for the marching band, and, of course, struggling through the opera with everyone else. Besides our new prexy is also interested in V-Teens (music chair).

QUIRE QUIPS

by **Marlene Kline**

Just think — 3 more days and Thanksgiving vacation. This is what seems to be going through everyone's head, but before you leave us don't forget the annual Thanksgiving assembly, Nov. 25, Wednesday.

The choir has been working on this music and the program which they have planned for the assembly.

Joe Dunlap Elected President Of The Senior Band

As is the annual custom, the Mount Vernon High School Senior Band elected their officers for the coming year, October 5. As usual only names of seniors were listed for election. Those chosen were president, Joe Dunlap; vice president, Dave Warren; secretary, Carolyn Barton; and treasurer, Ann Titus. It seems that Joe likes the experience for he is treasurer of the Key Club, and treasurer of the Senior Choir as well.

MUSIC

Music-Makers Are Marching

The Mount Vernon high school marching band is again a 95-piece outfit, this year. Director Jack E. Stauch and associate director, recent addition from O. S. U. to the music department, John Mazarack, promise a "big" variety of half-time shows at the football games. The band is scheduled to perform at all the home games as well as at Coshocton, Bexley, and Urbana.

Senior Marching Men Bow Out in Season Finale

Twenty-seven seniors marched out their last night school football half-time music show, Thursday, October 29, at the Mount Vernon-Arlington football clash. The band will miss them next year, but a certain spirit carries on each year even though a top portion of the band are annually graduates.

"Quire Quips"

Boys, Boys, Boys! This was the comment as 70 students walked into choir Wednesday, fifth period, the first day of school. Mr. Stauch seemed senior wanted boys and this year it looks as though he got them. Altogether, the band was perfect.

Which is stronger?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- **Right to vote on company's best offer

*These are rights you enjoy under the Taft-Hartley law.
**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

**THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!**

RINGWALT'S VIEWPOINT

MOUNT VERNON, OHIO

OUR 85th YEAR

DATE LINE: THE REST OF THE CENTURY

BEST NEWS IS HUMAN

"The Twain To Meet"

Despite Kipling, the East and West will meet, if we meet them half way with understanding. The world conflict is more moral than military, yet paradoxically, dynamic human needs are universal.

True democracy, the social expression of emotional and intellectual maturity, satisfies human needs. We don't have it, however, and neither do the Mau Mau, Hindu, Buddhist, Communist, Moslem or Israelie societies. Each is a partial answer so designed to maintain the half-life we all live. We must grow, learning from one another. That will be our (and their) moral victory.

WEATHER

Always fair from the right point of view.

Ringwalt's Goes Into 2nd Half of 20th Century

Ringwalt's goes into the last half of the 20th Century with the conviction that we magnify the complexity of personal, local, and international problems: 1. to excuse our own lack of positive purpose; 2. to excuse our possible failure; 3. to get an extra pat on the back if we succeed.

Retailing and Newspaper Work Essentially Human

Human Needs Are
Their Chief Concern

Newspaper and retail institutions are necessarily human and down-to-earth. They sense and satisfy the real need of real individual people met daily.

•

Art of Living

Living is the noblest art and like all arts its highest attainment is style, the simple direct accomplishment of a foreseen goal and with the beautiful ease of an expert. Retailers strive to put into our homes the materials for a beautiful creative style of family living. Newspapers strive to put into our hands the truth and wisdom pertinent to our creative orientation to a fast changing town and world.

GUARANTEERING GOOD GAS SERVICE...

...sittin' on top of Nature's gas tanks!

HERE are five good reasons why people in the territory served by United Fuel Gas Company always enjoy good, cheap gas service. They are five Cooper-Bessemer compressors totaling 4400 horsepower. They're installed at Coco, West Virginia, one of America's largest underground gas storage stations.

Their job? *Very* interesting! When you aren't using much gas, like in the summertime, they receive it from distant wells, via pipeline, and pump it into great hollow spaces far beneath the surface of the earth . . . to hold it for you in nature's storage tanks. Then when the demand for gas goes up . . . when it's needed for heating homes, for industrial plants, stores and offices (maybe the place *you* work) . . . these sturdy Cooper-Bessemer compressors pump the gas out again, send it on its way to you and hundreds of other communities.

All you know is that when you turn on the gas . . . it's *there* to serve you!

Technical gas men could tell you why these gas

compressors are most unusual. It has to do with a very wide range of pumping pressures never before achieved. They eliminate lots of other costly equipment and thus do their share to hold down the cost of gas service!

In many fields of business and industry, Cooper-Bessemer, one of America's *oldest* engine builders, has come up with the *newest* . . . time and again! Got a heavy-duty power problem? We invite you to write.

MILK is better in BOTTLES

A sparkling glass bottle is the perfect milk container. No substitute container protects milk's purity, flavor and your family's health so well.

GLASS IS PURE

A sterile bottle cannot contaminate your milk — cannot endanger your family's health, because glass is chemically inert.

GLASS LETS YOU SEE THE CREAM

See what you buy and know you get full measure of nutritious health food.

GLASS IS ECONOMICAL

Housewives could realize a saving on every quart of milk were all milk purchased in glass bottles.

GLASS PROTECTS FLAVOR

Glass completely guards milk's delicate flavor — imparts no foreign tastes or impurities to spoil milk's delicious goodness.

Mount Vernon High now has 5651 graduates. In order to keep the files up to date, the Forum Staff would like to know the married names of all the women graduates. They would also like to star all deceased alumni, so if you can help with any of this identification, please notify Sara Cannon, 126 East Vine St., Mount Vernon, Ohio. This list has been revised through 1924.

Please notify us also of any errors in spelling names.
